

Duck, Cover and Hold @ Manggahan Residences 1

Duck, cover and hold was the latest safety drill the 120 Manggahan Residences 1 unit dwellers participated in, held October 30-31, 2015.

The conduct of the Fire and Earth Quake Drill was facilitated by the National Housing Authority (NHA) and headed by Mr. Arnel Condicion of the Pasig Rescue Group with the assistance of the Barangay Sta. Lucia Rescue Team. The two-day session covered the orientation on the history of the valley fault system, movement of lands, earthquake-related hazards, intensity/magnitude of earthquake, the dos and don'ts during earthquakes and fire. Ready with their disaster and emergency bags, the residents evacuated the building with their packed foods, water and documents.

With the active involvement of unit awardees, floor leaders, building representatives namely Ms. Madeline Suarez and Mr. Edwin H. Bercasio, President Mr. Bernard Belmonte of Alliance of Peoples' Organization Along Manggahan Floodway, the earthquake and fire drill went well and was a success.
